Re: Morris County Landfill Co., Inc.

Solid Waste Disposal Facilities
Outstanding Notices of Prosecution

Dear Director Tylutki:

As previously indicated to you, there are a number of outstanding Notices of Prosecution in regard to the above referenced landfills, in particular that of Morris County Landfill Co., Inc.

On or about August 3, 1978, I met with representatives of the Solid Waste Administration to discuss settlement of the then outstanding matters. Further, I wrote to you on September 8, 1978 indicating that a change in ownership of the above referenced facilities to Combe Fill Corp. was to take place on September 11 and 13, 1978. Additionally, in my letter, I pointed out that I would be responsible for effectuating any and all outstanding Notices of Prosecution or other related penalty matters. In furtherance of my concern to resolve these outstanding matters, I again met informally with you and representatives of your staff recently in order to settle the same. Pursuant to our recent meeting, I am enclosing herein a check in the sum of \$3,000.00 as settlement of any and all penalty matters as of the transfer

of ownership of the above referenced facilities to Combe Fill Corp.

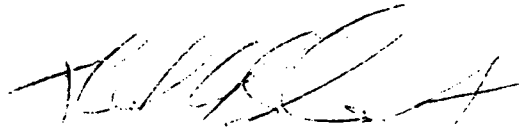

Of course, the submission of the enclosed check should not be construed or constitute a finding that my clients have violated any of the rules and regulations of the Bureau of Solid Waste Management or the provisions of the Solid Waste Management Act. During the course of my discussions with representatives of the Administration, I pointed out extenuating circumstances pertaining to the alleged violations, and thereafter documented the said circumstances. Thereafter, substantial questions were raised by my client as to the occurrences of the alleged violations. It was felt in the best interest of all parties in order to clear up the record that an amicable settlement would be reached concerning these matters. Accordingly, I trust with the receipt of the enclosed check that all matters pertaining to Morris County Landfill Co., Inc. and Chester Hills, Inc. will now be concluded.

I wish to take this opportunity to express the sincere appreciation of not only myself but that of my clients for the kind courtesies and cooperation you have rendered to us in this matter, and those relating to the operation of the two sanitary landfills in the past by my clients.

Should you have any questions, please feel free to contact me at your earliest convenience. Thanking you in advance for your kind courtesies.

Yours truly,
